

# Traceability in Indonesian Aquaculture Products

By

Coco Kokarkin

PT BOMAR, MAKASSAR

INDONESIA

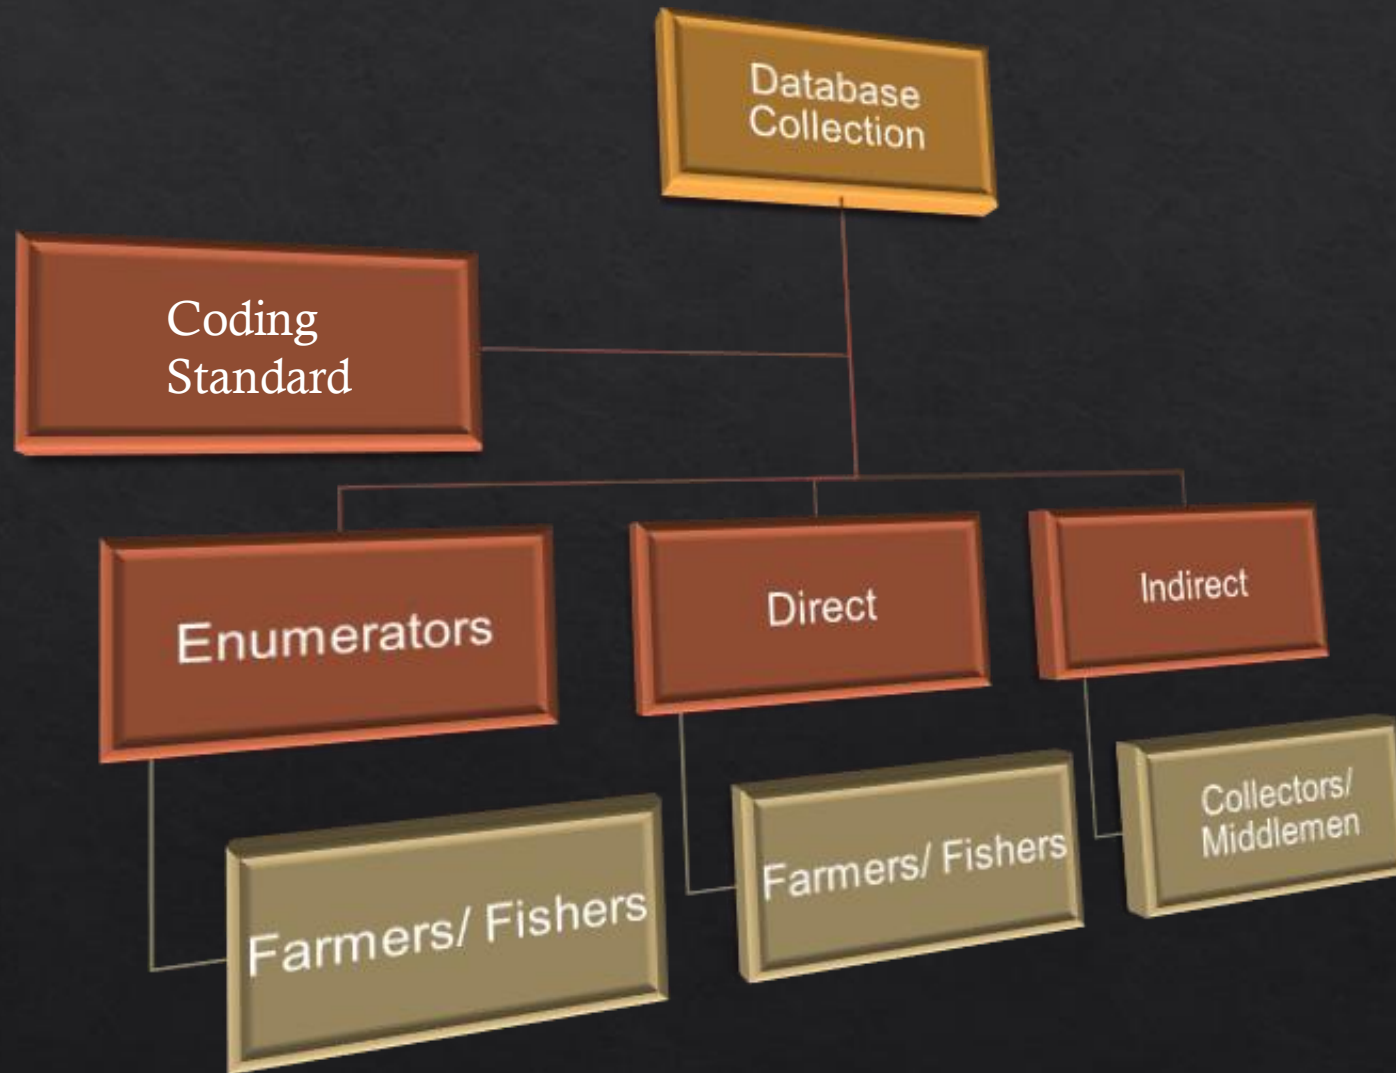

2020

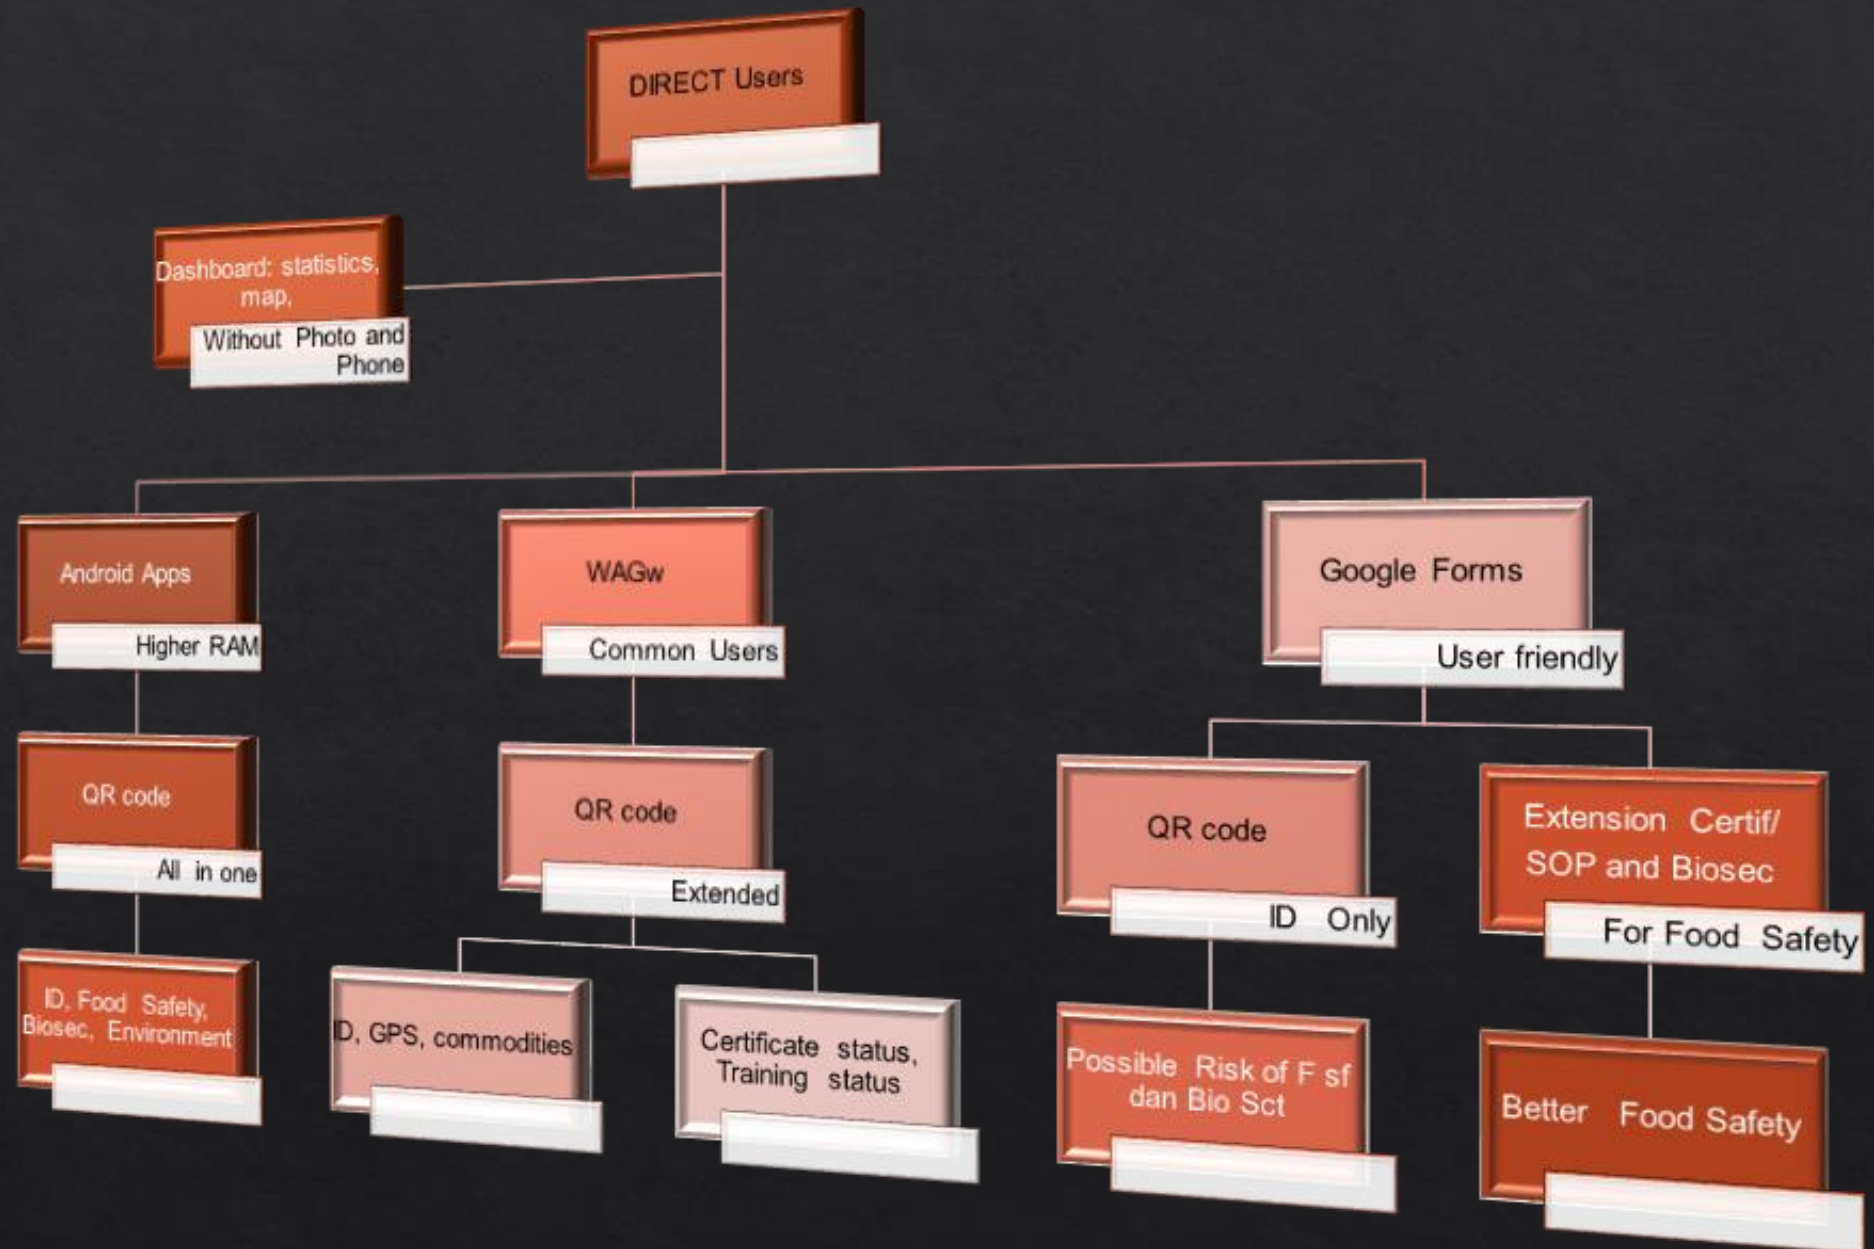

# Background

- ◇ Fish protein and oil are diets of the future ( environment/ healthy)
- ◇ Perishable
- ◇ Needs good handling practice Vs costs and marketing assurance
- ◇ Market needs quality (healthy)
- ◇ Industry needs quantity
- ◇ To solve: Traceability

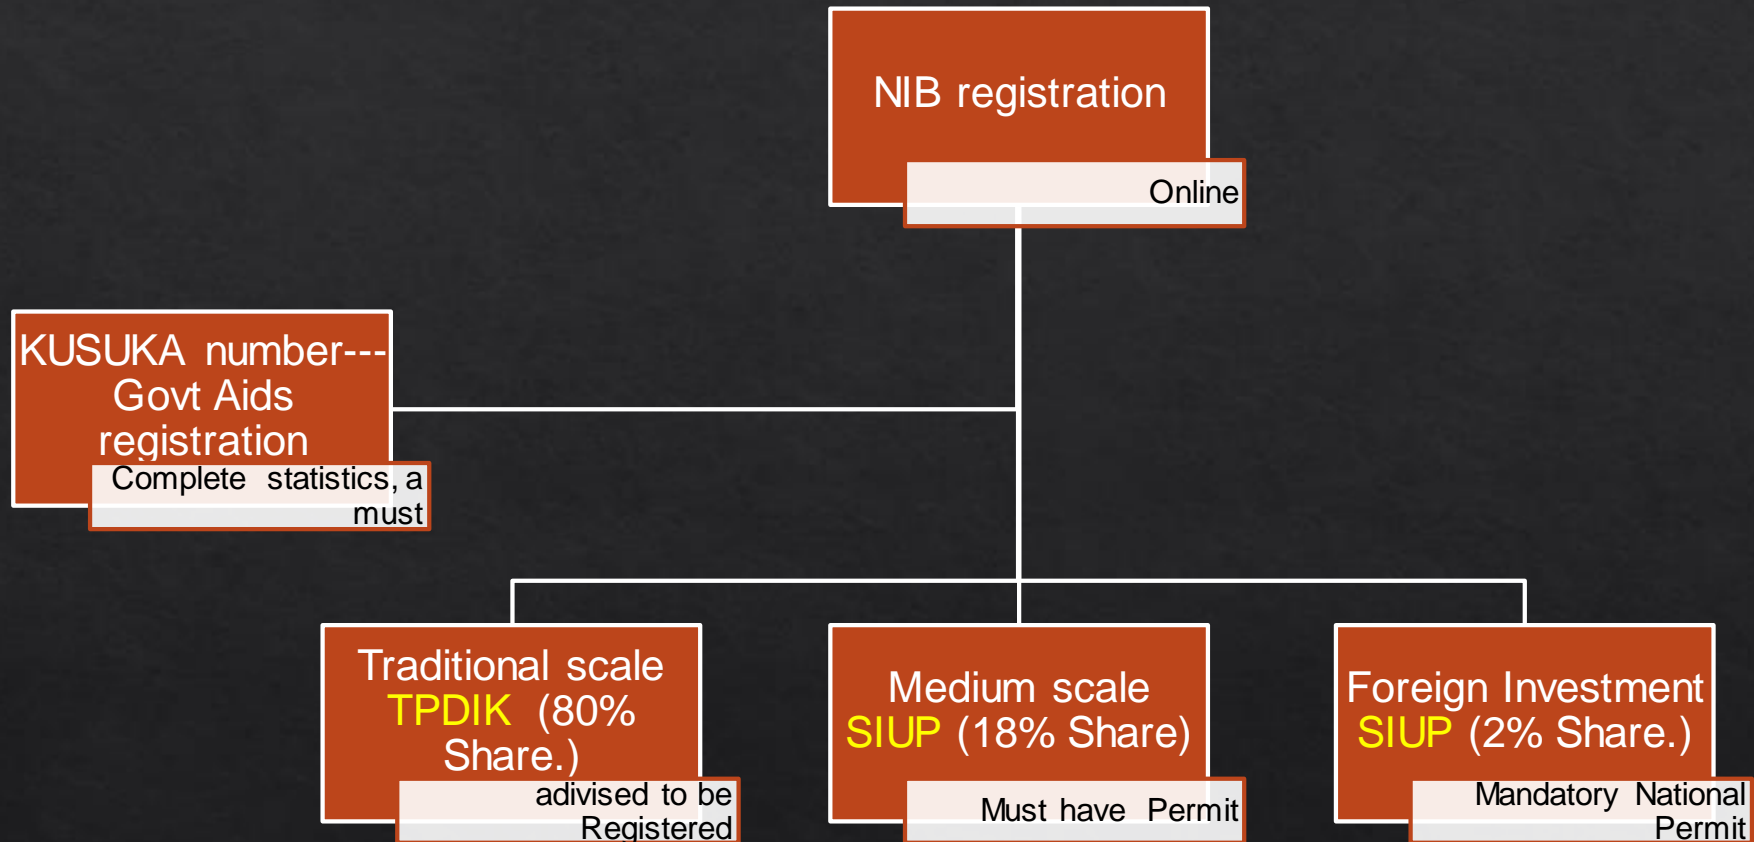

# Traceability

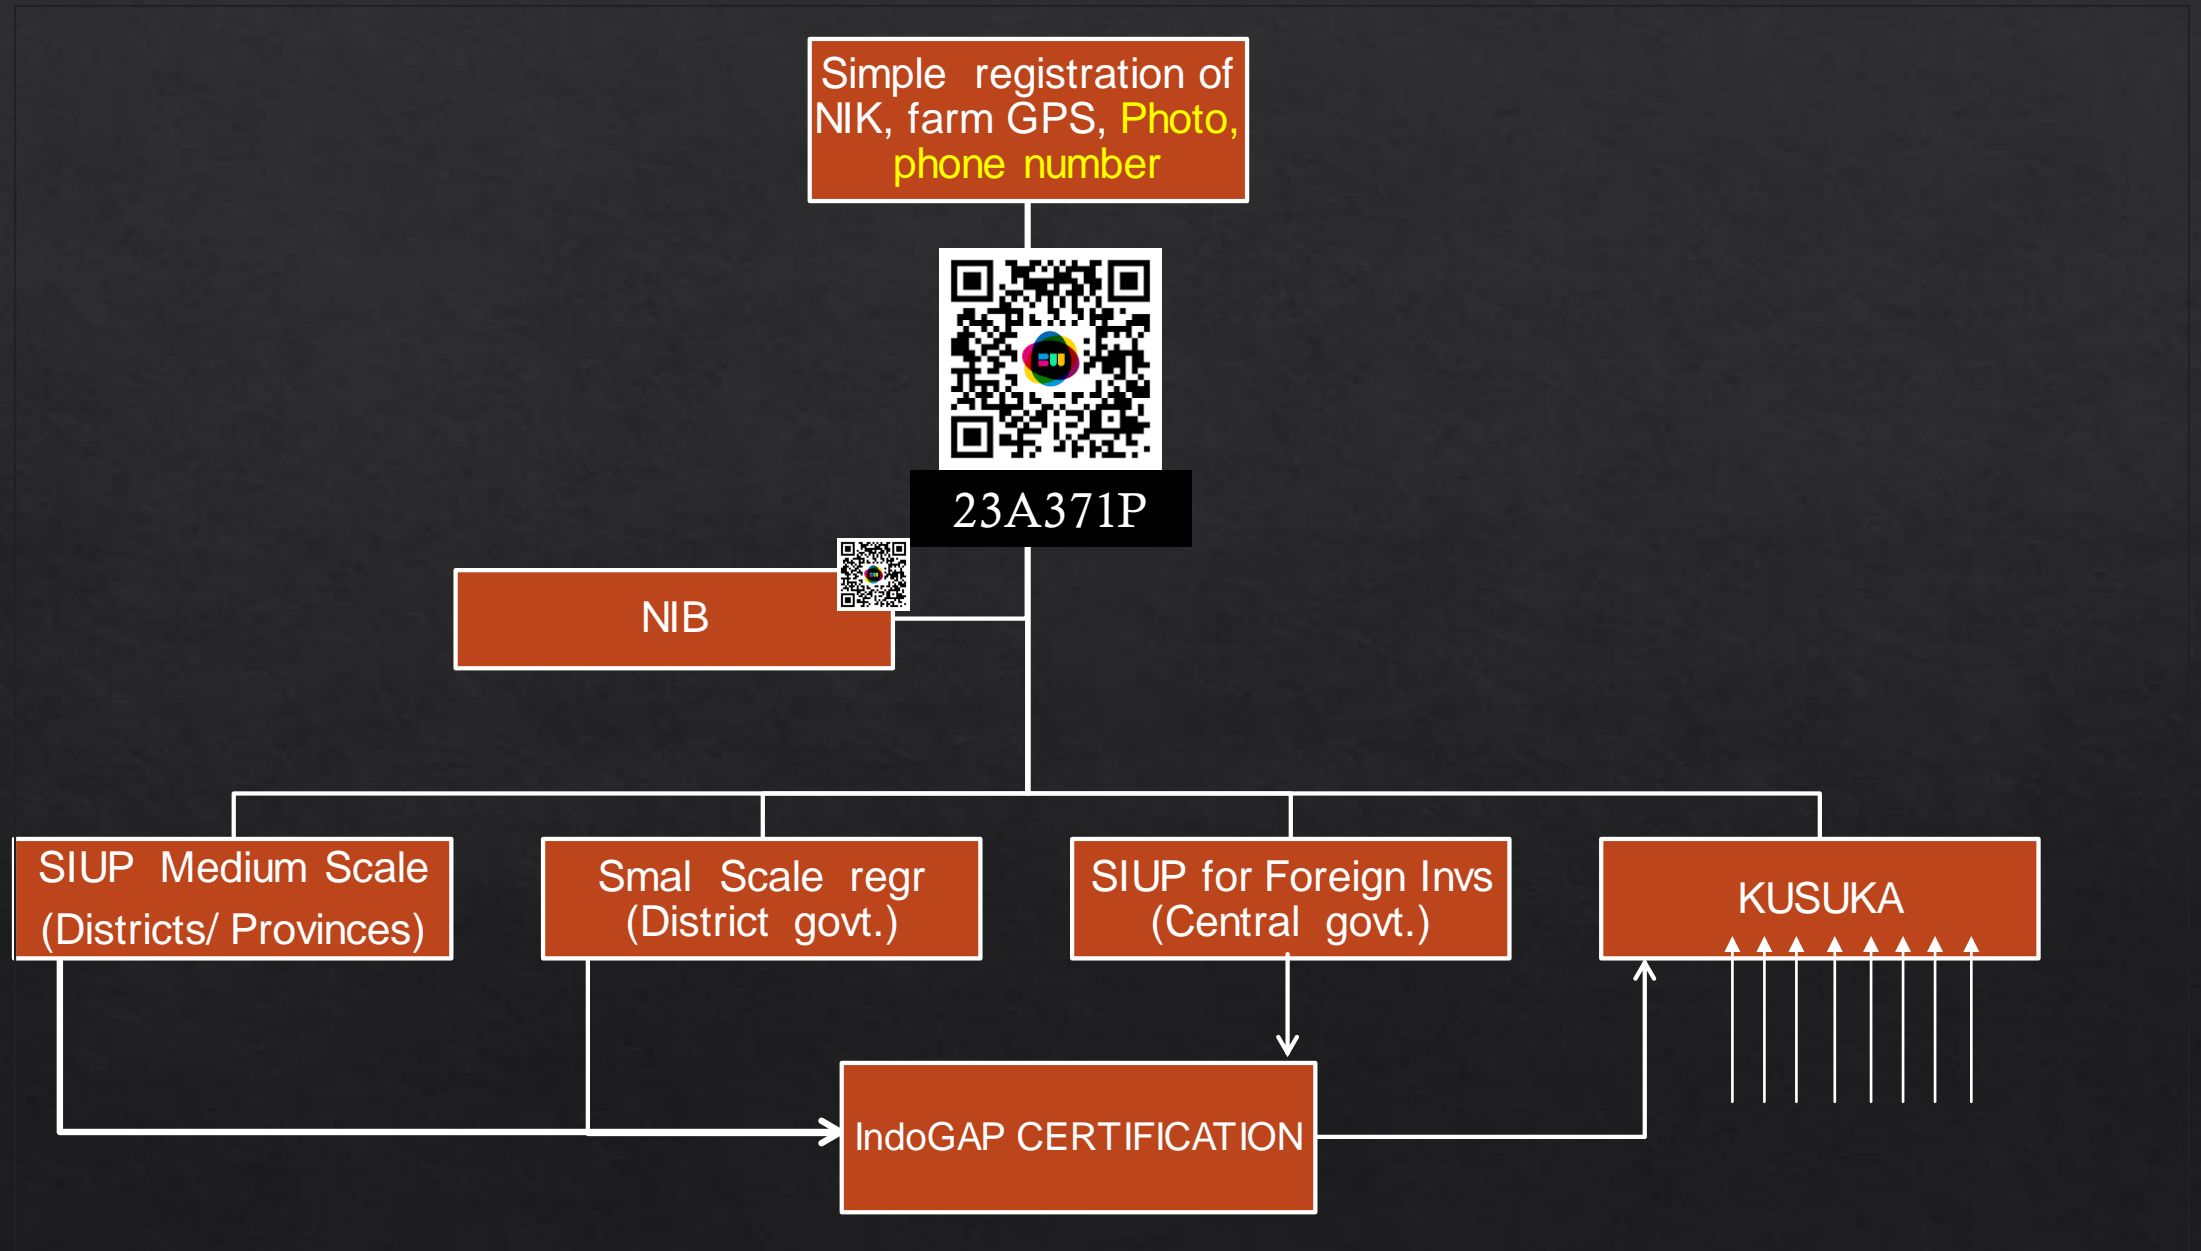

# Indonesian Scheme and Status
